What Obamacare disaster will hit next? The website launch was a fiasco, millions of Americans' insurance has already been cancelled, the exchanges are still not working, and the enrollment numbers are abysmal. Betsy McCaughey uncovers the next disasters Obamacare is about to spring on an unsuspecting public, and shows you how to protect yourself.

Did you know?

The government predicts that Obamacare will cause millions to lose the health plans they get at work

You can avoid the penalty for not having insurance

Even children are subject to penalties for being uninsured

The IRS official who targeted conservative groups has been promoted to top dog in charge of your health insurance

The federal government recommends if you want medical privacy, pay cash

Section 3000A of the health law awards bonus points to hospitals that spend the least per senior

You should be careful about giving your address, tax information, and social security number to a "navigator." Most haven't been background checked, and even HHS Secretary Sebelius admits some could be felons

Patient advocate Dr. Betsy McCaughey expertly dissects the 2,572-page health law, the thousands of pages of Obamacare regulations, and the cascade of "waivers" to the law in 2013, and lays out how all these will affect your family's health and finances, your relationship with your doctor, and even your tax bill—breaking it down into manageable chunks and explaining everything in plain English.

Don't be blindsided by the myriad new rules, regulations, and taxes that are coming down the pike. Begin today to understand what the Obama health law means for you, and prepare for it.

INSIDE: A twenty-page sample bill showing what genuine health reform would look like title by title!

Intimidated by the legal jargon? Not to worry, this guide comes fully equipped with an Obamacare Dictionary in the back!

Overview—“HOW AN ECONOMY GROWS...AND WHY IT CRASHES”, BY Peter Schiff

How an Economy Grows and Why it Crashes uses illustration, humor, and accessible storytelling to explain complex topics of economic growth and monetary systems. In it, economic expert and bestselling author of *Crash Proof*, Peter Schiff teams up with his brother Andrew to apply their signature "take no prisoners" logic to expose the glaring fallacies that have become so ingrained in our country's economic conversation.

Inspired by *How an Economy Grows and Why It Doesn't*, a previously published book by the Schiffs' father Irwin, a widely published economist and activist, *How an Economy Grows and Why It Crashes* incorporates the spirit of the original while tackling the latest economic issues. With wit and humor, the Schiffs explain the roots of economic growth, the uses of capital, the destructive nature of consumer credit, the source of inflation, the importance of trade, savings, and risk, and many other topical principles of economics.

The tales told here may appear simple of the surface, but they will leave you with a powerful understanding of *How an Economy Grows and Why it Crashes*.

Overview—“AMERICA THE BEAUTIFUL—Rediscovering What Made This Nation Great”, by Dr. Ben Carson

What is America becoming? Or, more importantly, what can she be if we reclaim a vision for the things that made her great in the first place?

In *America the Beautiful*, Dr. Ben Carson helps us learn from our past in order to chart a better course for our future. From his personal ascent from inner-city poverty to international medical and humanitarian acclaim, Carson shares experiential insights that help us understand

... what is good about America

... where we have gone astray

... which fundamental beliefs have guided America from her founding into preeminence among nations

Written by a man who has experienced America's best and worst firsthand, *America the Beautiful* is at once alarming, convicting, and inspiring. You'll gain new perspectives on our nation's origins, our Judeo-Christian heritage, our educational system, capitalism versus socialism, our moral fabric, healthcare, and much more.

An incisive manifesto of the values that shaped America's past and must shape her future, *America the Beautiful* calls us all to use our God-given talents to improve our lives, our communities, our nation, and our world

Overview-- “STILL THE BEST HOPE—Why the World Needs American Values to Triumph”, by Dennis Prager

Dennis Prager contends that humanity confronts a monumental choice. The whole world must choose between American values and two oppositional alternatives: fundamentalist Islam and European-style democratic socialism. In this visionary book, Prager makes the case for the American values system as the most viable program ever devised to produce a good society.

Still the Best Hope deals with three major themes, each vital to America's future. The first is perhaps the most persuasive explanation for why Leftism has been and will always be a moral failure, despite its appeal to many people of goodwill. The second explains why fundamentalist Islam also cannot make a good society—though Prager holds out hope for an open and tolerant Islam. The third is a persuasive defense of what Prager calls the "American Trinity": liberty, values rooted in the Creator, and the melting-pot ideal.

Prager shows why these values can and must be adopted by every nation and culture in the world, why Americans must relearn and recommit to these values, and why the United States must vigorously export them.

Overview—“THE LIBERTY AMENDMENTS—Restoring the American Republic”, by Mark R. Levin

MARK R. LEVIN HAS MADE THE CASE, IN NUMEROUS *NEW YORK TIMES* BESTSELLING BOOKS—*MEN IN BLACK*, *LIBERTY AND TYRANNY*, AND *AMERITOTIA*— THE PRINCIPLES UNDERGIRDING OUR SOCIETY AND GOVERNMENTAL SYSTEM ARE UNRAVELING. IN *THE LIBERTY AMENDMENTS*, HE TURNS TO THE FOUNDING FATHERS AND THE CONSTITUTION ITSELF FOR GUIDANCE IN RESTORING THE AMERICAN REPUBLIC.

For a century, the Statists have steadfastly constructed a federal Leviathan, distorting and evading our constitutional system in pursuit of an all-powerful, ubiquitous central government. The result is an ongoing and growing assault on individual liberty, state sovereignty, and the social compact. Levin argues that if we cherish our American heritage, it is time to embrace a constitutional revival.

The delegates to the 1787 Constitutional Convention in Philadelphia and the delegates to each state’s ratification convention foresaw a time when—despite their best efforts to forestall it—the Federal government might breach the Constitution’s limits and begin oppressing the people. Agencies such as the IRS and EPA and programs such as Obamacare demonstrate that the Framers’ fear was prescient. Therefore, the Framers provided two methods for amending the Constitution. The second was intended for our current circumstances—empowering the states to bypass Congress and call a convention for the purpose of amending the Constitution. Levin argues that we, the people, can avoid a perilous outcome by seeking recourse, using the method called for in the Constitution itself.

The Framers adopted ten constitutional amendments, called the Bill of Rights, that would preserve individual rights and state authority. Levin lays forth eleven specific prescriptions for restoring our founding principles, ones that are consistent with the Framers’ design. His proposals—such as term limits for members of Congress and Supreme Court justices and limits on federal taxing and spending—are pure common sense, ideas shared by many. They draw on the wisdom of the Founding Fathers—including James Madison, Benjamin Franklin, Thomas Jefferson, and numerous lesser-known but crucially important men—in their content and in the method for applying them to the current state of the nation.

Now is the time for the American people to take the first step toward reclaiming what belongs to them. The task is daunting, but it is imperative if we are to be truly free.

Overview

What's the secret to a life of happiness?

"In this delightful book brimming with humorous and poignant passages, radio personality Hugh Hewitt provides the answer. The starting place is generosity, he says, and there are seven gifts that are sure to improve the lives of both giver and receiver: encouragement, energy, enthusiasm, good humor, graciousness, gratitude, and patience.

Anyone can give these gifts, but Hewitt shows that some people are particularly well placed to offer them: parents, spouses, family members, friends, teachers, coworkers, and fellow church members.

Channeling his skills as a broadcaster, journalist, lawyer, and teacher, Hewitt weaves stories about these seven gifts and seven givers with inspiring and motivating observations to help readers become generous in the ways that matter most.

"*The Happiest Life* is not simply a delight to read, and not merely a glimpse under the hood of a remarkable man. It's a map to what Robert Frost once described as the road less traveled—the road that leads to a life of meaning and gratitude and joy."

—Charles J. Chaput, O.F.M. Cap., Archbishop of Philadelphia

"Reading this book is the next best thing to sitting down for a long conversation with my friend Hugh Hewitt."

—Dr. R. Albert Mohler, Jr., president of the Southern Baptist Theological Seminary

"Wanna be a happier person? Know anyone else who does? What if this book could actually help with that? Cutting to the chase—it can. And it will."

—Eric Metaxas, *New York Times* best-selling author of *Bonhoeffer: Pastor, Martyr, Prophet, Spy and 7 Men: And the Secret of Their Greatness*
